Dear Shannon-

I'm sorry we have
not been as close this
year as last. We probably
just went our separate ways
this year - but I still consider
us to have a rather special
friendship because when I do talk
to you I feel like I can tell you
anything because you are so nice
and understanding. I appreciate
and respect you for that. I hope
we keep in touch after graduation.
I will miss you and the times
we have shared. On a lighter note -
we are graduating!

Love,

Fall Block

A Windward alumnus shows us around.

What, me worry?

As the leaves on the trees fell in Catalina, Arizona, and Northern California, Windward students were there to watch. Catalina hosted the seventh through tenth graders as they frolicked merrily in the sand. The upper class students floated down the Colorado River. Unfortunately we have no pictures as they were all eaten by sharks. A few brave juniors and seniors were bussed up and down the coast checking out colleges . . .

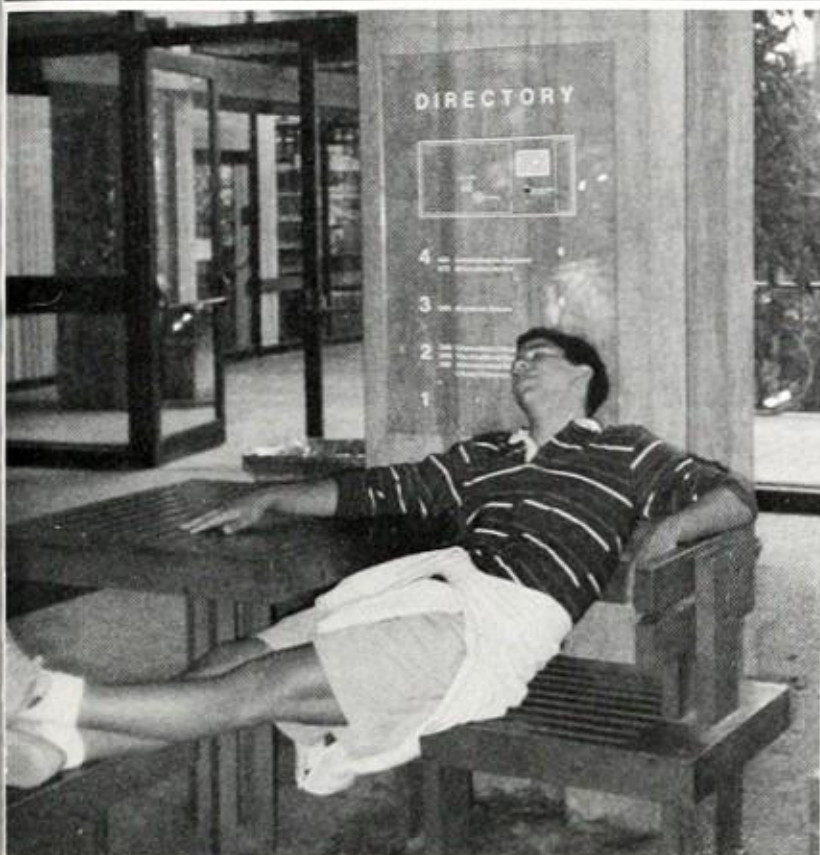

One time when Carly wasn't crying.

The deer liked the food better than we did.

RAFIE FURST

A black and white photograph of a surfer riding a wave. The surfer is positioned in the center of the frame, crouching low on a surfboard. The wave is breaking to the left, creating a large, white, foamy splash that partially obscures the surfer. The water to the right of the surfer is dark and textured with small ripples. The sky is a uniform, dark grey, suggesting an overcast day. The overall composition is dynamic, capturing a moment of action in a natural setting.

First Row: Yumiko Nakamura, Takami Kyosai, Naoko Kawamura, Masumi Jinbou, Tomoko Shibutani, Akiko Nakamitus.
Second Row: Shin Isomura, Masahiko Higuchi, Hidetoshi Shigemori, Nobuko Ueda and the teacher Yoshitumi Ishihara.

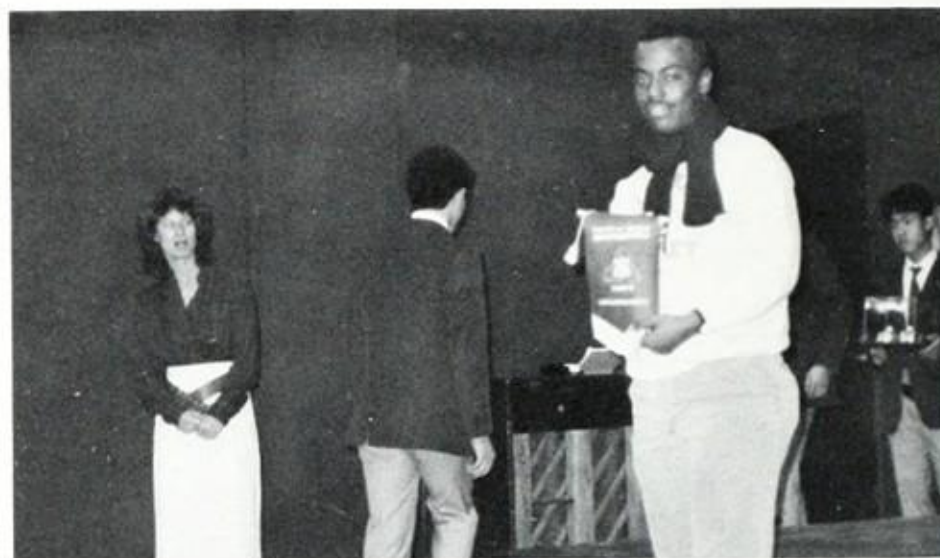

This is the third year of our Japanese Exchange Program. The students from Aki-Fuchu High School in Hiroshima enjoy coming to Windward. School life is so different here than in Japan. In Japan, the students must wear uniforms and have many rules and restrictions. When they come to Windward, it is difficult for them to adjust to all the freedom. It was just as difficult for the Windward students to adjust to life at Aki-Fuchu, especially wearing uniforms. We hope this program continues for many years and that Windward students will go to Japan.

This year, the new technical theatre department has been a great success. The crew created three terrific instant sets out of their magic popcorn box for "Odd Night Out", the fall show. "Odd Night Out" was an evening of one act plays written by Shaw, Saroyan, Lardner and Soodik.

The seventh grade drama class toured schools and rest homes with their improvised version of the traditional dutch legend, "The Poppenkast".

Paul's music class did an entertaining "Santa Hangs Ten" at Christmas.

Thanks to Carol's insightful direction of the musical "Grease", the rehearsal pictures you see here evolved into the event that was bigger and better than ever before. Dennis Michel built a super car for "Greased Lightning" and the roller-skating waitresses made the whole evening lots of fun.

This year's Mock Trial Team went further than any other Windward Mock Trial Team in history. Out of the many trials they participated in, they were victorious in all but two. This incredible record won them a second place ranking in Los Angeles County!

The key to the team's success was the outstanding performances by the participants. However, these performances would not have been possible without the continual support of Tom Gilder and Carole Solomon. Their coaching gave the team that extra boost that took them to the top.

Meet the lawyers of the team that placed second out of sixty.

The 8th annual Bike-a-thon was the most successful yet. We raised \$17,000 in pledges, a new record! This year the route was different, through the beautiful Mojave desert. For the first time we went in the fall instead of the spring, covering 100 miles in two days rather than three. Another difference was that this year there were prizes given for pledges.

The prizes were: \$500.00 in pledges-entry fee refunded
 \$1000.00 in pledges-watch or calculator
 \$2500.00 in pledges-bicycle
 \$5000.00 in pledges-\$500.00 in cash
 \$10,000 in pledges-one years free tuition

There were 79 participants including faculty and parents. A special thanks to Paul Bush, Sanford King, Pat Mcloy, John Elam, Connie Weiss, Lester Saft, Loren Woodsen, Robert Shapiro, Dean Wong and Lorrin Wong who all rode the route.

Paul Bush is to be CONGRATULATED for riding in his third Bike-a-thon. Gary Katz now holds the Bike-a-thon record of five years in a row.

Also, we can't forget to mention the people who prepared the food, carted up all the food cooked for us and even cleaned up. Thanks Susan, Joel and Dawn Needelman, Angela Mandel, Nancy and Allison King, Susie Leonard, Joan Woodson and Toni Bush.

See you all on the 9th annual Bike-a-thon!

SPORTS RULE PLAYING

WHAT A SENIOR CLASS!!!

The class of 1986 features the finest group of student-athletes to contribute to the Windward sports program. Many of these athletes were the cornerstones upon which the various teams were built. They are all to be congratulated for their individual and team accomplishments of the last several years. Thank you for all you have done to make Windward a class act in the athletic arena.

DANNY HORWITS Danny has always been a standout in the sports of basketball and volleyball. He was the MVP of the Liberty League in volleyball in 1985; first team All-Liberty League in basketball this year; team captain many times over; and always gave 100% in all of his athletic endeavors.

GABE GANOR Two-time MVP in cross-country, MVP of the Liberty League in soccer, Gabe defines the term mental toughness. Gabe is the consummate competitor.

ERIC FREEDMAN Team captain of the volleyball and basketball teams, Eric is a natural leader. Eric received All-League honors in both of his sports.

BENTLEY WEBER Bentley received high honors in baseball, being awarded second-team All-CIF honors in his junior year.

Bentley was always recognized on the All-Liberty League team. SAMANTHA CHINN Samantha Chinn, as captain of the girls volleyball team lead her teammates to their 8th consecutive Liberty League Championship and the CIF quarterfinals.

DAVID HILL David excelled in basketball and baseball, receiving All-League honors in both sports.

PAUL NIEBERG Paul has been a solid contributor in the sports of cross country, soccer, and baseball. Paul received all-league honors in all of these sports.

DOUG OLKEN One of Windward's finest goalies, Doug received All-League honors in soccer and baseball.

WILL ADAMS All-League honors in volleyball and the all-time leading goal scorer in soccer are among Will's top accomplishments.

Other seniors who channeled their talents into the Windward sports program include Josh Katzman (soccer), Rafie Furst (baseball), Cathie Mc Loughlin (volleyball), Kenny Salkin (cross country, basketball, & volleyball), Mark Villagomez (basketball & baseball), & Charles Young (baseball & basketball).

A SINCERE THANKS!!!!

What - Us Make the Playoffs?

1985 turned out to be a rebuilding year. Six of the 12 team members were rookies and a seventh, Danny Horowitz, rejoined the team after a two-year absence.

Undoubtedly the season will be remembered for the outstanding performances by team captain, Gabe Ganor. After an early season loss at Pasadena Poly he went undefeated through the next ten races, including an historic victory against Brentwood School-the first ever by a Windward runner.

In Liberty League competition he was invincible for two straight seasons and won the League's MVP award two years in a row.

Seniors Kenny Salkin and Kaz Mc Coy set a fine example for the rest of the team and were rewarded for their hard work with places on the school's all-time, top-ten list of times recorded at Mar Vista Park.

Chris Templeton, Jonathon Landreth, Brent Lewis, Todd Czerwinski and Kevin Brent deserve special credit for rousing themselves, sleepy-eyed during the Catalina block to run three miles before dawn.

After seven long years of trying, Windward finally won a Boys' Varsity Soccer Championship.

Runners-up in 1984 and third last season, this year's team won nine consecutive Liberty League games to clinch the title. Windward ended the regular season with a league record of nine wins and two losses (13-5 overall).

The historic season had its share of highlights - and heartbreak. Among the highlights was the dominating midfield performance of seniors Gabe Ganor and Josh Katzman with sophomores Robb Hirsch and Josh Perttula. Hirsch, Perttula and Ganor added 15 goals and ten assists to an already potent attack.

Leading that attack was senior Will Adams who scored 15 goals, bringing his career total to 27, a new school record. Senior Paul Nieberg scored four of his own, bringing his total to 23, fourth on the all-time list. At the other end of

the field goalkeeper Doug Olken set a new team record with six shut-outs (one better than the previous season record).

Heartbreak was felt by senior Jonathan Landreth who had to miss the second half of the season with torn ankle ligaments and by Ganor who had to sit out the first round playoff game with 'flu.

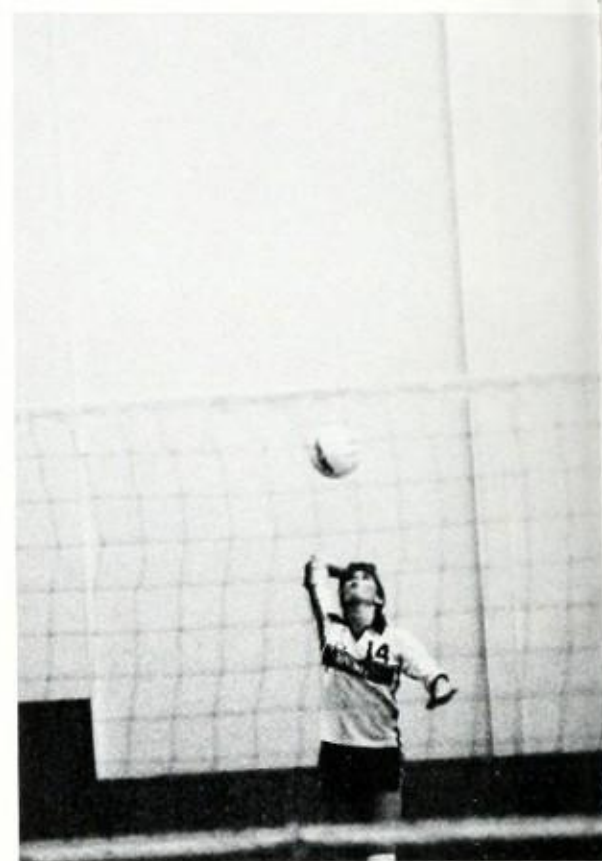

Members of the championship team were: (Seniors) Gabe Ganor and Josh Katzman (co-captains), Will Adams, Paul Nieberg and Doug Olken; (Juniors) Robby Solomon, Brett Roman and Ben Austin; (Sophomores) Jay Goodlader, Lucas Meyers, Robb Hirsch, Josh Perttula, Tony Katzman, Chris Templeton and Jonathan Landreth; (Freshmen) Brent Lewis, Josh Leonard and Edward Templeton. Head coach: Ian Kimbrey.

For the first time in eight years, The 1986 Girl's Varsity Volleyball Team went all the way to the C.I.F. quarterfinals. We won the league title for the eighth consecutive year. The team was a relatively young team. Our victorious season was led by the senior captain Samantha Chinn. Followed by Kira Solmon, Laurie Hill, Danielle Laff, Alex Alvarez, Jennifer Leshnick, Becky Craig, Jessica Wax, Justine Kreher, Becky Anderson, Becca Hullett, and Leigh Stenger.

hold on a minute

The 1986 Boys Varsity Basketball season proved to be the most successful year yet as the boys went as far as the second round of the C.I.F. Playoffs with a record of 21-3. The team was led by four seniors and a junior: David Hill, Danny Horwits, Mark Villagomez, Eric Freedman, and Jeff Laff. The team received great support from the bench warmers: Josh Chinn, Laurence Greene, Greg Behar, Glen Shapiro, Kenny Salkin, and big Joel S. (A.K.A. the Fridge). Although the team suffered greatly towards the end, when Mark was retired for the season. They endured and were victorious in the end.

This year, like every year at Windward is a year of firsts. This is the first year that we have sent students down the Colorado River for the Fall Block. This is the first year that we played baseball on our new facilities. This is the first year that the Student Government redefined itself and reasserted its identity to have maximum impact on the school community.

But Windward is also a place where traditions abound. This year those traditions of welcoming friends from every land, loving and supporting one another, and striving for the best academically and socially were reaffirmed by the students of the Windward community in the 1985-1986 school year.

To my mind, Windward continues to be one of the best places to go to school. That is what Shirley Windward wanted when she founded the school fifteen years ago. That is still the driving ideal that each of us at Windward seeks to achieve.

This year, perhaps more than any other in recent memory, our students have worked to build on Windward's history and to forward its traditions of support and excellence. 1985-1986 has been a very good year to be at Windward.

Nay un eco en el tiempo
Donde se oyen notas
De siglos de luz.

Solo se siente el amor.

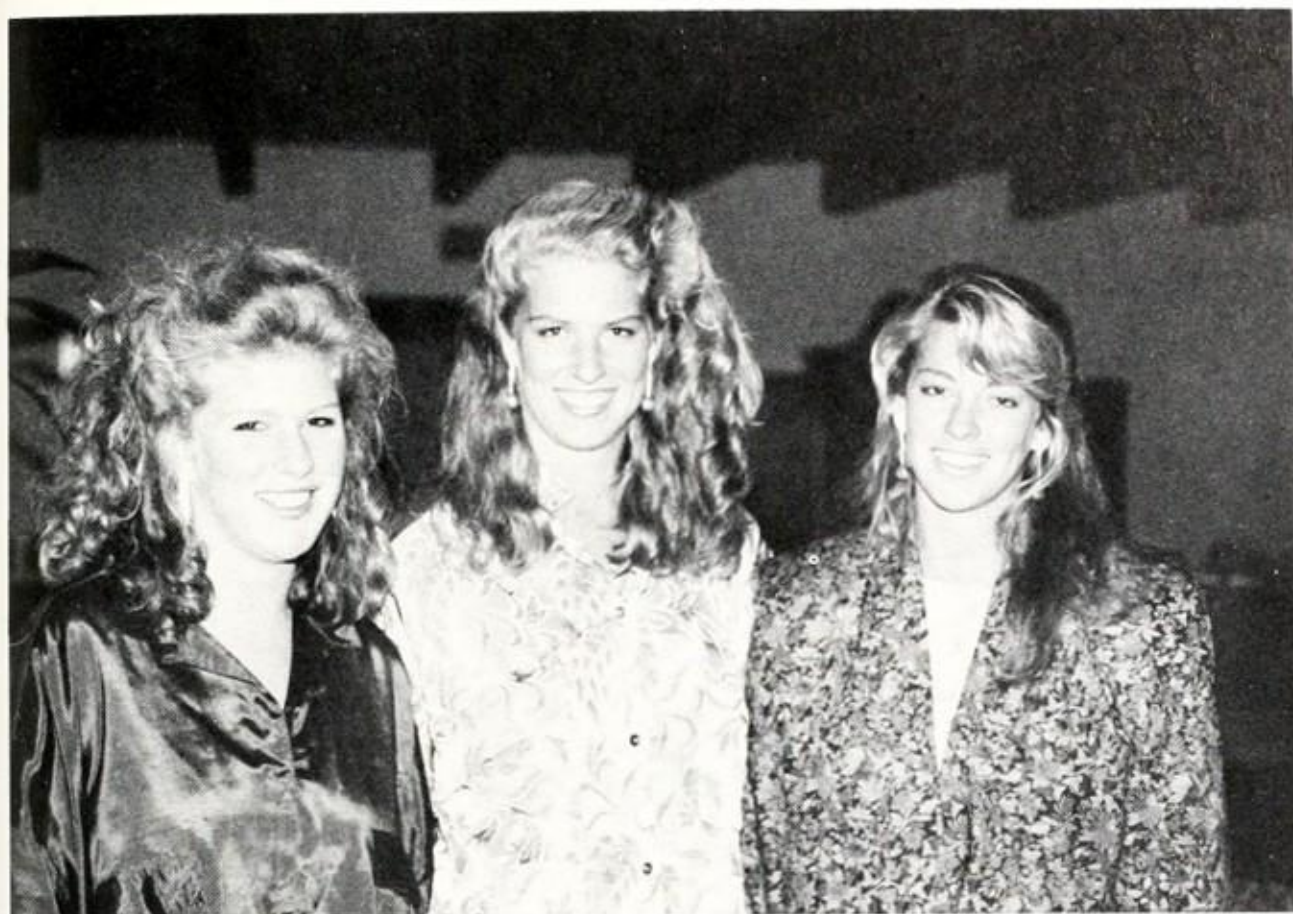

Seniors—
Where ever you go after Windward, may your life be full of friends

Off to Jalama

Never had it; Never will

After just one bagel ...

The answer was right there

I really don't know what to say so I'll try to fill that it will seem like I'm important. I'm really happy that friends for the last couple years. You've always known that I was there for you ~~years~~ when you needed someone ("Get it? Bleed I was your boy. I think the friendships we have shared was very special" and I would like to stay in touch. After all, we're almost going to be neighbors (Maine, CT). The program was fun and I had a good time even though Susan bailed me (I don't know why" what I did, and at this point, I don't give a shit). I guess there comes a time when you just have to say "Fucks it!" Anyway, "let's get together before we get much older."

I'm happy we were friends and I hope you felt the same.

I'll be seeing ya,
your bro.,
Gabe

The audience in awe

"well, we all need someone we can lean on, And if you want-ed, well you could lean on me."

"Get it?"

Sharon,

I am very sorry that the year is over
because I never really got to know you.
I will say now what I never had the guts
to say before. I think you are very beautiful
and I found you very nice the few times I talked
to you. IF I stay in Los Angeles this summer
maybe we could go out. You will have fun
in Maine, and you will get used to the cold.
Believe me you will, have a wonderful summer
and a successful future.

P.S. Physics was fun.

May McCoy

P.S.S

You have to be one of the

too close but I still think
that you're great! Have fun this

SHANNON CHUMMIE

DEAREST SHANNON,

I've had such a good time with you this year. You've always been a good friend since the 10th grade (I was never a Scammer!) It's weird, with friends like you I never know what to say, I don't want to get silly or too serious. You know how I feel about you and our friendship.

I Love You
